Dear Ms. Jackson,

Please accept this letter as the formal request of the Miami Dade Aviation Department to change our representative on the Community Image Advisory Board. Upon obtaining the appropriate approvals from the Board of County Commissioners (BCC), we would like to designate Mr. Jeffrey Dawson, one of our landscape architects, to replace Mr. Richard Losego as our designated representative.

Based on my conversations with MDAD staff, we understand that you will prepare the resolution for approval by the BCC. If there is anything further that we need to do, please let me know.

Thank you for your assistance.

Sincerely,

Angela Gittens

Aviation Director
